Bistro Union is a small neighbourhood restaurant in Clapham SW4 situated on Abbeville Road. It is the sister restaurant to Trinity (1 Michelin Star), also based in Clapham. We are open for 10 services; Wednesday through to Sunday and are closed Monday and Tuesday. Our focus is on French Bistro cooking using seasonal produce and traditional techniques.

The team is looking for a Sous Chef to manage the kitchen on busy services, supporting the Head Chef. Experience with French cooking and an understanding of French cuisine is preferred but not essential however experience on all sections of the kitchen, including pastry is required.

This is an exciting opportunity for experienced Senior CDPs looking for the next stage in their development and a great move for current Sous Chefs wanting to find a stable and enlightening environment. As a business we invest in our employees and there will be opportunities to grow as a leader and team member within the company.
